# SLVUSD WELCOMES YOU

## Welcome

Whether you are new or a former volunteer returning to the San Lorenzo Valley Unified School District, feel free to ask for help concerning anything you don't understand. Our learning communities value your assistance because volunteers in our schools can enrich the educational program, increase supervision of students, and contribute to school safety while strengthening the schools' relationships with the community. Thank you for supporting the education of our students.

## Background Check

In accordance with California Education Code 45125.1 and Board Policy/AR 1240, fingerprinting is required for volunteers who have direct contact with students in unsupervised settings.

## Negative TB Screening

In accordance with California Education Code 49406 and Board Policy/AR 1240, volunteers with frequent or prolonged contact with students (10 or more times per year) must have on file proof that the volunteer is free of infectious tuberculosis.

## Standards of Conduct

By volunteering with San Lorenzo Valley Unified School District, you have a responsibility to the District and to your fellow volunteers to adhere to certain rules of behavior and conduct. The purpose of these rules is not to restrict your rights, but rather to be certain that the learning environment is not compromised. When a person is aware that he or she can fully depend upon others to follow the rules of conduct, then our organization is a better place to work for everyone. Generally speaking, we expect each person to act in a mature and responsible manner at all times. District standards of conduct and personnel policies include, but are not limited to:

- Observing safety rules at all times and using common sense in operating any type of equipment.
- Treating fellow volunteers, teachers, students, parents, and administrators with respect and kindness.
- "Zero Tolerance" for the possession of any type of firearm, weapon or explosive on District premises.
- The maintenance of a drug-free workplace. Employees and volunteers are prohibited from being intoxicated or under the influence of controlled substances while volunteering. Use, possession, or sale of a controlled substance in any quantity while on District premises (except medications prescribed by a physician which do not impair volunteer performance) will result in immediate dismissal.
- This is a tobacco free school district. Tobacco products shall not be used on District premises. No soliciting or selling of products, services, etc. on District property without the prior written approval of the Superintendent or designee.

- Refraining from proselytizing in regard to religion or politics on District property.
- Maintaining the confidentiality of all personal and privileged information.

## **Policies and Procedures that all Volunteers Should Know**

### **Absence and Punctuality**

Volunteers are asked to commit to specific time(s) and day(s), as teachers need to know they can count on you. If you are unable to volunteer on a given day, or if you will arrive late, please contact your site immediately.

### **Sign In/Out**

All volunteers must sign in each day and pick up a volunteer badge at the school office. We also request that volunteers sign-out when they have completed their volunteer time for the day.

### **Workers Compensation**

Volunteers are covered by the District Workers' Compensation plan. If a volunteer is injured as a result of a "job related activity" he or she may qualify for Workers' Compensation benefits.

### **Discipline**

The school and individual classroom teachers have established rules and procedures related to student discipline. Classroom teachers and school administrators are responsible for student discipline. These guidelines are maintained for the safety and welfare of all students. Fairness, consistency, and follow-through are essential to maintaining good control. Please remember to ask for the assistance of the teacher if a situation calls for follow-up disciplinary action.

### **Confidentiality**

You are responsible for respecting the confidentiality of all students, staff, and privileged information which you may be exposed to as a volunteer. Our students and their families entrust the District with important information related to their personal lives. The nature of this relationship requires maintenance of confidentiality. Your volunteering with the District assumes an obligation to maintain this confidentiality. It is essential that you not share any information about students, even with your own family, friends, or acquaintances. Because of its seriousness, disclosure of confidential information could lead to the District discontinuing our volunteer relationship with you.

### **Equal Volunteering Opportunity**

San Lorenzo Valley Unified School District provides equal volunteering opportunities for everyone and prohibits harassment of any volunteer on the basis of race, religious creed, color, national origin, ancestry, disability, gender, gender identity or expression, age, sexual orientation, or military and veteran status. All matters relating to volunteering are based upon ability to perform the job, as well as dependability and reliability.

## **Volunteer Relations with Students and Their Families**

The success of SLVUSD's volunteer program depends upon the quality of the relationship between the District volunteers, teachers, students and parents, and the general public. Regardless of whether you are a volunteer or a paid staff member, you are an ambassador for San Lorenzo Valley Unified School District.

## **Suspected Child Abuse or Neglect**

Volunteers should report to the school administrator if they have any reason to believe a student has been abused or neglected.

## **Resignation/Discontinuance**

If for any reason you decide not to continue volunteering with the District, please inform your site administrator and those you work with directly. The District reserves the right to discontinue the volunteer relationship with any individual.

## **Other Policies**

### **Siblings**

As a general rule, younger siblings should not accompany parent volunteers to school when they are volunteering. Preschoolers and younger siblings can be a distraction to students, staff, and parent volunteers in the classroom. Additionally, younger siblings need to be supervised carefully for their own safety in the school environment. Some of the equipment that is used by volunteers should not be accessible and is not safe for preschoolers (laminating machines, paper cutters, scissors, staplers, copy machines, etc.)

### **Office Machines (Copyright)**

The staff appreciates volunteers helping teachers prepare classroom materials. Volunteers should be trained on the correct usage of all office equipment. It is also very helpful if volunteers are willing to step aside and allow teachers or office staff to interrupt them and use machines during recess or on occasions when staff members need immediate access to machines or equipment at school. District equipment is only to be used for educational/school purposes. They are not for personal use. Parent volunteers should use computers that are located in classrooms or teacher workrooms. Volunteer flexibility and cooperation in this area is greatly appreciated. All volunteers shall adhere to the provisions of the federal copyright law and maintain the highest ethical standards in using copyrighted materials. The District shall provide no legal support to any volunteer who violates copyright laws.

### **Computer Software (Copyright)**

San Lorenzo Valley Unified School District does not condone the illegal duplication of software. The copyright law is clear. Title 17 of the U.S. Code states that, "It is illegal to make or distribute copies of copyrighted materials without authorization." The only exception is the users' right to make a backup copy for archival purposes.

## **Dress Code**

Volunteers are expected to dress in accordance with accepted social and business standards. If you are unsure as to the appropriateness of particular attire, please consult with the site administrator.

## **Staff Lounge Guidelines**

The staff lounge should not be used as a “workroom”. Cutting, pasting, collating, etc. should be done in classrooms, teacher workrooms, or the office workrooms. Teachers should not send parents to work in the lounge. Due to limited space, please inquire if the lounge refrigerator is available to volunteers. To avoid overcrowding in the staff lounge, it is requested that volunteers try to avoid taking breaks during teacher lunch times.

## **Personal Phone Calls and Pictures**

Please refrain from using your cellphone in the classroom and when working with or driving students. Please do not photograph or video students unless you have permission from site personnel.

## **Parking Lot**

Great care must be taken and drivers must watch closely for students and others at all times when driving near schools and or in school parking lots. You should also check with the school office for information on where you should park.

## **Theft**

No item purchased or supplied by the District should ever be removed from school sites without the express authorization of your site administrator. Theft of personal items has not been a problem for the District, but it is highly recommended that volunteers not bring excessive amounts of money on campus. If you carry a purse, ask to place it in a secure place.

## **Driving on Field Trips**

- Be sure that you have registered with the School for such purposes and have a valid driver’s license and current liability insurance at or above the minimum amount required by law\* for each occurrence.
- Check the safety of your vehicle: tires, brakes, lights, horn, suspension, etc.
- Carry only the number of passengers for which your vehicle was designed. If you have a pickup truck, carry only as many as can safely sit in the passenger compartment. No more than nine (9) students can be carried in one vehicle regardless of the size of the vehicle.
- It is the driver’s responsibility to ensure that all vehicle occupants use seat belts. Require small children to use an appropriate child passenger restraint system (child car seat or booster seat) or safety belt in accordance with the law.
- Do not smoke a pipe, cigar, or cigarette while there are minors in the vehicle, as required by law.
- Obey all traffic laws.
- Take the most direct route to and from the destination or event without unnecessary stops.

- Unauthorized non-District personnel, students, or guests are prohibited from riding in the vehicle while on District business.
- Driver is prohibited from using a hand held cell phone while operating a vehicle as required by law.

## **Safety Rules**

The following is a list of general safety rules for all workers. Employees and volunteers are required to comply with these rules.

- Under no circumstances shall a volunteer place themselves, a co-worker, or a student in a hazardous situation.
- Personal protective equipment (goggles, shoes, gloves, respirators, coveralls, etc.) must be worn at all times when specifically required. Loose jewelry or clothing should be avoided.
- Follow good lifting practices. Ask for help when needed and help others lift or carry heavy or bulky objects when necessary. Stack materials safely.
